## Adios Mr. K.N.S Shetty

After a memorable 26 years of service, dating from 1994 to 2020, Mr. KNS Shetty has bid adieu to KCCI. The first 12 years of his service he worked as a Manager of KCCI and then subsequently for 14 years he was a consultant to KCCI. Mr. Shetty was thorough in Managing and running the Chamber, its protocols, its history and provided active administrative support to the Chamber's endeavours in development of the District. For all the Presidents, office bearers he was not only the Manger but also a friend, philosopher and guide. For all others and the members of KCCI, he was the face of the institution. A stickler to discipline he would not tolerate any deviations in any form in connection with the functioning of the Chamber. We wish him good health, long life, happiness and satisfaction in all that he does in future.
