4. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and MCA Circulars, the Chamber is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Chamber has entered into an agreement with Central

Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

5. The business set out in the Notice will be transacted through electronic voting system and the Chamber is providing facility for voting by electronic means. Instructions and other information relating to e-voting are given in this Notice under the head "E-Voting" herein below. The details about User ID and password relating to e-voting are being sent to all the members through email by Central Depository Services (India) Limited (CDSL).
6. As per Article 42 of Articles of Association, the Chamber needs to elect 5 Office-bearers and maximum of 12 committee Members every year.
7. The existing Auditor of your Company, Shri B. Balakrishna Shanbhogue, B.Com., FCA, Chartered Accountant was appointed as the Statutory Auditor of the Chamber for the period FY 2019-20 to FY 2023-24, and therefore, continues to remain in office.
8. As per Section 160 of the Companies Act, 2013 and subject to Articles of Association of the Company, a Member, other than a Member of the retiring Committee/Board, is eligible for contesting the election provided he / she by himself /herself, not less than 14 days before the above meeting has left at the office of the Chamber a Notice in writing under the hand of Chamber or the intention of such Member to propose any other Member with his / her consent to contest election may file nomination of such Candidates along with a deposit amount of Rs. 1,00,000/- (Rupees one lakh only) by cheque / DD / RTGS / NEFT in favour of Bank A/c of KCCI Please further note that this amount is refundable only if the contesting candidate gets elected in the AGM or gets more than 25% of total votes cast. The amount so deposited shall be will be forfeited by the candidate / depositor in case of failure to secure 25% of total votes cast. The Chamber will then give notice of such candidates intending / proposed for election either by individual notice to all members or by publication of the notice in a Kannada and an English Newspaper at least 7 days before the date of AGM. The Format of Notice of Candidature / Nomination Form is enclosed.
9. Please also note that interested Member candidates seeking election to the Committee/Board must have an approved Director Identification Number issued by the Government of India, Ministry of Corporate Affairs. Please note further that because of e-voting, adequate time will be needed for the e-voting agency to include the details of the contestant, hence you are requested to please follow the given procedure in this connection. The e-voting agency may revert to the contestant for further information required in the matter, as may be required under e-voting guidelines.
10. Office Bearers/Committee Members, being Directors, are eligible for re-election and are automatically re-elected in the absence of:
 - Any resolution for their re-election
 - Failure of resolution in their favour for re-election
 - A written notice from them intimating their unwillingness for re-election
11. In case any Office Bearer/Committee Member does not want to be re-elected, he/she must give a written notice indicating his/her unwillingness to be re-elected

PRESIDENT'S ADDRESS

Isaac Vas
President

It is my pleasure to address you on the occasion of the Annual Meeting of KCCI. The second wave of the Pandemic restricted the regular functioning of the Chamber and we had to work amid a lot of uncertainty and insecurity. There has been no Member who has had a friend, a relative or an acquaintance unaffected by the virus. Despite this, in all our activities and programs, we ushered in positive change and new thinking. Our entire team rose to the occasion and never let the virus defeat us. Today I stand before you in appreciation of their resilience and thank them for their relentless contribution towards achieving the goals of the Chamber.

Externally, we have given a new vision and a direction template to our district in terms of working towards Tourism, using the sea for economic growth, highlighting the need for an IT Park and pushing for connectivity infrastructure to our district. We have emphasized the need for an MPEDA Fish and Fisheries Testing lab and a Honey Testing Lab in Mangaluru. Our efforts to bring more industries to MSEZ have been constantly on. We have worked consistently with academic institutions having a MOU for collaboration, on a need basis. A new website has been designed for The DK Bus Owners' Association and feedback data from users of Mangalore City Bus Service has been collected with the help of our affiliated institution the MSNIM. Our ADR Centre has taken up the first Arbitration proceeding and we are working with the MSFC for enabling arbitration of the disputes of Micro and Small Industries closer to our geographic area.

All through the year we have worked closely with the District Administration especially with Dr. Rajendra KV, IAS, Deputy Commissioner of DK District and Mr. Gokuladas Naik, Joint Director of Industries. We have attended almost all the meetings of the Single Window Committee, the Kaigarika Spandana Committee and Land Allotment Committee etc. The ground realities of the industry and trade have been regularly updated to the District Administration, and we have received good responses to our request every time.

In our interaction with the District Minister, we have discussed initiatives taken by the Chamber towards withdrawal of proposed increase in tariff by MESCOM, setting up of an IT Park, inviting TESLA to Mangalore, setting up an industrial estate for MSMEs in Balkunje and other such development agendas of the Chamber. During the year we have been part of the Innovation Conclave organised by the GOK as well as the Karnataka Coastline Business Conclave 2021 organised by FICCI in Mangalore. The Chamber has also been a part of the Coastal vision group nominated by the Government of Karnataka and five of our members including yours truly have been working on the vision paper. This year has seen a record number of representations being made to the Government on issues and concerns of our business community. I am glad to place before the members that many of the issues that we have raised have resulted in positive action from the policy makers.

Your president has been regularly attending the Board of MSEZ as the KCCI nominee for Additional Director on the Board. We have been active in managing the day to day functioning of CEOL. The Chamber representatives have been consistently attending the meetings of the Smart City Program.

Our concern regarding a number of issues that were raised have been considered favourably by MSCL.

KCCI has got a very good press all through the year and the issues and concerns that we have raised have been very well covered by all national and local newspapers. Your President has also participated in a number of debates and appeared on various local channels.

I would like to thank all the Office bearers of the Chamber for their relentless support for the activities of the Chamber. My special thanks are also due to our Past President, CA Srinivas S. Kamath, CA Chandrakanth Rao, CA Lionel Aranha, our Past Secretary, Shri Gaurav Hegde, Shri Ajith Kamath, President of KIA, Arch. Dharmaraj, Shri K. M. Shetty, Shri Pushparaj Jain, the President of CREDAI and all members of the IT fraternity of Mangalore for their support in taking our goals forward. Our COO Shri Mytreya A. and all the office staff deserve my gratitude for their sincere work throughout the year.

The positive philosophy that has always been the hallmark of the Chamber in everything that we have done will continue as the new team takes over. They need your good wishes and support and more so your engagement.

Thanking you

Yours truly

INDEPENDENT AUDITOR'S REPORT

To the Members of 'KANARA CHAMBER OF COMMERCE & INDUSTRY

Report on the Audit of Financial Statements

Opinion

I have audited the accompanying financial statements of 'KANARA CHAMBER OF COMMERCE & INDUSTRY', MANGALORE-575001, registered under sec. 8 of the Companies Act 2013, which comprise the Balance Sheet as at March 31, 2021, the Statement of Income and Expenditure for the year then ended and cash flow statement for the year, and a summary of significant accounting policies and other explanatory information.

In my opinion and to the best of my information and according to the explanations given to me, the aforesaid financial statements together with the other explanatory information **and in particular item no. 7 of** other explanatory information give the informations required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India;

- a) of the state of affairs of the Company as at 31st March, 2021;
- b) its Profit for the year ended on the date;
- c) Its Cash flows for the year ended on that date.

Basis for Opinion

I conducted my audit in accordance with the standards on auditing specified under section 143(10) of the Companies Act, 2013. My responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Act and the rules thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the code of ethics.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Other Matters

The continuous spreading of COVID -19 across India has resulted in restriction on physical visit to the client locations and the need for carrying out alternative audit procedures as per the Standards on Auditing prescribed by the Institute of Chartered Accountants of India (ICAI). As a result of the above, the entire audit was carried out based on remote access of the data as provided by the management of the Company. This has been carried out based on the advisory on “Specific Considerations while conducting Distance Audit/ Remote Audit/ Online Audit under current Covid-19 situation” issued by the Auditing and Assurance Standards Board of ICAI. I have been represented by the management of the Company that the data provided for my audit purposes is correct, complete, reliable and are directly generated by the accounting system of the Company without any further manual modifications.

I bring to the attention of the users that the audit of the financial statements has been performed in the aforesaid conditions. My audit opinion is not modified in respect of the above.

Information other than the Financial Statements and Auditor’s Report Thereon

The Company’s Management is responsible for the preparation of the other information. The other information comprises the information obtained at the date of this auditor’s report, but does not include the financial statements and our auditor’s report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained during the course of my audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Management’s Responsibility for the Financial Statements

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Rules, 2015, as amended.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the

accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, I am also responsible for expressing my opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. I consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of my work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India under Section 143(11) of the Act, is not applicable, I am not making any comment under the said Order.
2. As required by Section 143(3) of the Act, I report that:
 - a) I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit.
 - b) In my opinion, proper books of account, as required by law have been kept by the Company so far as it appears from my examination of those books, **except for the bank reconciliation difference as reported in item no.7 of** other explanatory information.
 - c) The Balance Sheet and the Statement of Income and Expenditure dealt with by my report are in agreement with the books of accounts.

NOTE 15

I)SIGNIFICANT ACCOUNTING POLICIES

A. Basis of preparation of Financial Statements

The financial statements are prepared under historical cost convention, in accordance with the Generally Accepted Accounting Principles (GAAP), the provisions of the Companies Act, 2013 including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

B. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles ('GAAP') requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

C. Property, Plant & Equipment, Borrowing Costs and Depreciation

Property, Plant & Equipment are stated at cost of acquisition (including directly attributable costs such as freight, installation, taxes, duties etc.) or construction, or their corresponding revalued amounts less accumulated depreciation/amortization.

Borrowing costs directly attributable to acquisition or construction of those fixed assets, which necessarily take a substantial period of time to get ready for their intended use, are capitalized.

Depreciation on Property, Plant and Equipment is provided, based on the Written Down Value('WDV') using useful lives as base. The useful lives of various tangible assets are as under:

<u>Assets</u>	<u>Rate of Depreciation(%)</u>	<u>Useful Life (Years)</u>
Building	4.87	60
Computer	63.16	3
Electric Fittings	25.89	10
Furniture & Fittings	25.89	10
Generator & Inverter	25.89	10
Office Appliances	45.07	5
Plant & Machinery	18.10	15
Vehicles	25.89	10

If the management's estimate of the useful life of a fixed asset at the time of acquisition of the asset or of the remaining useful life on a subsequent review is shorter than that envisaged in the aforesaid Schedule, depreciation is provided at a higher rate based on the management's estimate of useful life/ remaining life. After the completion of the useful life, assets are carried at nominal value till disposal.

Assets costing less than Rs 5,000 are fully charged to the profit and loss account in the year of acquisition.

D. Impairment

E. Investments

Investments that are readily realizable and intended to be held but not more than a year are classified as current investments.

All other investments are classified as long term investments.

Long-term investments are carried at cost. Provision for diminution is made to recognize a decline, other than temporary in value of long-term investments and is determined separately for each individual investment. Current investments are carried at lower of cost and fair value, computed separately in respect of each category of investment.

The cost of investment includes acquisition costs such as brokerage, fees and duties.

F. Revenue Recognition

The firm generally recognizes revenue on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to such extent.

Sales are recognized when all substantial risks and rewards of ownership in the goods are transferred to the buyer and no significant uncertainty exist regarding the amount of consideration as per the terms of the contract and are recognized net of trade discount, sales tax and other relevant taxes.

Interest income is recognized on time proportion basis. Dividend income is recognized when the right to receive the dividend is established.

G. Provision, Contingent Liabilities and Contingent Assets

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are not provided for unless a reliable estimate of probable outflow to the firm exists as at the Balance Sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best management estimates. Contingent assets are neither recognized nor disclosed in the financial statement.

H. Employee Benefits

I. Short-term Benefits

Short-term benefits are charged off at the undiscounted amount in the year in which the related services are rendered.

II. Long-term Benefits

Long-term benefits comprise the following:

i. Provident Fund

The eligible employees of the firm are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the firm make monthly contributions at a specified percentage of the covered employees' salary. The contributions as specified under the law are paid to Provident Fund Trust.

ii. Gratuity Benefits Plan

The firm provides for gratuity, a defined benefit retirement plan (the "Gratuity Plan") covering eligible employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on

the respective employee's salary and the tenure of employment. Vesting occurs only upon completion of five years of service. Liability with regard to gratuity plan which is unfunded are determined as per discounted service basis as of the Balance Sheet Date.

iii. Leave Encashment

The firm has a policy of accumulation of earned leave up to 60 days. The accumulated earned leave can be encashed on retirement, termination or death whilst in service. The Firm has provided leave encashment on accrued Earned Leave based on actuarial valuation.

I. Government Grants

Government Grant related to acquisition of Property, Plant and Equipment is reduced from the Cost of Acquisition of the Property, Plant and Equipment

KANARA CHAMBER OF COMMERCE AND INDUSTRY - MANGALORE

TEXT FROM THE VISITORS BOOK

Dr. Murali Krishna B. V.
Additional Commissioner of
Commercial Taxes,
Govt. of Karnataka.

Date: 17-02-2021

It is an experience to come to KCCI and deliver lecture on E-initiatives & Recent updates in GST.
I learnt a lot. Thank you.

ACKNOWLEDGEMENT

The Chamber is a public body having varied associations and affiliations. Its functioning is related to the general public at large and consequently owes gratitude to numerous and varied authorities.

We are equally appreciative of the assistance and cooperation offered by all quarters to achieve our goals and would like to specially thank the Federation of Indian Chambers of Commerce & Industry, New Delhi, the Federation of Karnataka Chambers of Commerce & Industry, Bengaluru, the Confederation of Indian Industry (Southern Region), Chennai / Bengaluru, the Bangalore Chamber of Industry & Commerce, Bengaluru, the Indian Merchants' Chamber, Mumbai and other sister Chambers.

Our thanks are also due to the Hon'ble Prime Minister of India, Hon'ble Chief Minister of Karnataka and the Minister for Industries, Government of Karnataka. We would also like to recall here the cooperation extended to the Chamber by the Members of Parliament & Legislators of the District and our neighbouring District of Udupi, MLAs of Dakshina Kannada District, the District In-charge Minister and Secretary In-charge for D.K.District., President and CEO of the D. K. Zilla Panchayath, President and Commissioner of MUDA, Mayor, Corporators & Commissioner of MCC, Mangaluru.

We extend our gratitude to the Director General & Inspector General of Police, IGP, Western Range, Deputy Commissioner, D.K., Commissioner of Police, D.K., Superintendent of Police, D. K., Addl. Superintendent of Police, D. K., Traffic Police, Police Personnel of Pandeshwar, Bunder Police Stations & all the Police personnel of Dakshina Kannada District. We are especially grateful to the Joint Director for Industries, D.K., for his constant support for all issues connected to industries.

We thank the Ministers and officials of the Central Govt. and State Govt. the MD of Mescom and officials, Officials of the Reserve Bank of India, Commissioner of Commercial Taxes, Karnataka, the Commissioners and officials of the Customs and Central Excise and the Income Tax Departments for the cooperation received from them all.

We appreciate the cooperation extended to us by the authorities of the New Mangalore Port and the Old Port. We would also like to acknowledge the cooperation of the Railways, Civil Aviation, the Post and Telegraph, Telecom, Airport Director, banks and other heads of various public sector undertakings.

The members of the print and electronic media earn a special mention in our thanks for the encouragement they have kindly extended to us by giving wide publicity to our projects.

We also thank the Management and Staff of Hotel Ocean Pearl for hosting us on various occasions and New Taj Mahal Cafe (P) Limited, and Kamath Caterers for the cooperation given during the programmes. Our Official photographers, M/s Balco Studio, have always been punctual and ever pleasing. Our IT Vendor, M/s TigerDen Solutions, has been very prompt in updating the content in our website www.kanarachamber.com.

Our former Presidents, Chairmen and Members of various standing and non standing committees and special cells of the Chamber, Members, apex and affiliated bodies, other associations, Consultants and Auditors have extended their best co-operation and support to every cause undertaken by us. We would like to take this opportunity to thank our members for their active participation in the various functions and meetings arranged by the Chamber both physical and online. We take this opportunity to request them to extend their support to strengthen our Membership which will lend more power to the Chamber and its programs.

We acknowledge with thanks the dedicated services of our Auditor Sri B.B.Shanbhogue, B.Com., FCA for continuing to Audit the Books of the Chamber for the past 51 years.

We specially thank Ms. Athmika Amin, Chairperson of the Editorial Board of the Journal of KCCI and Associate Editor Shri Aditya Pai and Marketing and Advertising team, Sri P. B. Ahmed Mudassar, Sri Divakar Pai Kochikar and Smt. Vathika Pai and the members of the Editorial Board for their contribution in bringing
