Notes:

1. A Member entitled to attend and vote at the Annual General Meeting ('AGM') may appoint a proxy to attend and vote on his behalf. But the Proxy shall be a Member of the Company. Proxies, in order to be effective, must be received at the Registered Office of the Chamber not less than forty-eight hours before the commencement of the AGM i.e. by 4.pm on 28th September, 2023.
2. Route-map of the AGM venue, pursuant to the Secretarial Standard on General Meetings, is annexed to this Notice.
3. As per Article 42 of Articles of Association, the Chamber needs to elect 5 Office-bearers and maximum of 12 Committee Members every year.
4. The existing Auditor of your Company, CA B. Balakrishna Shanbhogue, B.Com., FCA, was appointed as the Statutory Auditor of the Chamber for the period FY 2019-20 to FY 2023-24, and therefore, continues to remain in office.

5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, the Chamber is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Chamber has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-voting agency.
6. Instructions and other information relating to remote e-voting are given in this Notice under the head "E-Voting" herein below. The details about User ID and password relating to remote e-voting are being sent to all the members through email by Central Depository Services (India) Limited (CDSL).
7. Members who would like to express their views or ask questions with respect to the agenda items of the meeting will be required to register themselves as speaker by sending e-mail to the Chamber Office at office@kanarachamber.com from their registered e-mail address, mentioning their name, the name of the entity, email and mobile number. Only those Members who have registered themselves as speaker by 10.30 a.m. on Friday, 27th September, 2023 will be able to speak at the meeting. The Company reserves the right to restrict the number of questions and number of speakers, depending upon availability of time for smooth conduct of the AGM.
8. As per Section 160 of the Companies Act, 2013 and subject to Articles of Association of the Company, a Member, other than a Member of the retiring Committee/Board, is eligible for contesting the election provided he / she by himself /herself, not less than 14 days before the above meeting has left at the office of the Chamber a Notice in writing or the intention of such Member to propose any other Member with his / her consent to contest election may file nomination of such Candidates along with a deposit amount of Rs. 1,00,000/- (Rupees one lakh only) by Cheque / DD / RTGS / NEFT in favour of Bank A/c of KCCI. Please further note that this amount is refundable only if the contesting candidate gets elected in the AGM or gets more than 25% of total valid votes cast. The amount so deposited will be forfeited by the candidate / depositor in case of failure to secure 25% of total valid votes cast. The Chamber will then give notice of such candidates intending / proposed for election either by individual notice to all members or by publication of the notice in a Kannada and an English Newspaper at least 7 days before the date of AGM. The Format of Notice of Candidature / Nomination Form is enclosed.
9. Member candidates seeking election to the Committee/ Board may please note that due to e-voting, adequate time will be needed by the e-voting agency to include the details of the candidature for e-voting; hence you are requested to please follow the given procedure in this connection. The e-voting agency may revert to the candidate for further information required in the matter, as may be required under e-voting guidelines.
10. Office Bearers/Committee Members, being Directors, are eligible for re-election and are automatically re-elected in the absence of:
 - Any resolution for their re-election
 - Failure of resolution in their favour for re-election
 - A written notice from them intimating their unwillingness for re-election
11. In case any Office Bearer/Committee Member does not want to be re-elected, he/she must give a written notice indicating his/her unwillingness to be re-elected.
12. Institutional members (i.e. other than individuals, HUF, NRI, etc.) are required to send scanned copy (in PDF / JPG format) of the relevant Board Resolution / Authority Letter, as the case may be, along with attested specimen signature of the duly authorised signatory(ies) who are authorized to vote, to the Chamber by email at office@kanarachamber.com

E-Voting:

Information and other instructions for members for Remote e-voting are as under:

- (i) Pursuant to the provisions of Section 108 and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Management and Administration) Rules, 2014, as amended, the Chamber is pleased to provide to its members facility to exercise their right to vote on resolutions proposed to be passed in the Meeting by electronic means. The members may cast their votes using an electronic voting system from a place other than the venue of the Meeting ('remote e-voting') in respect of the resolutions proposed in the accompanying Notice.

PRESIDENT'S ADDRESS

GANESH KAMATH
President

Dear Esteemed Members,

In 1675, Sir Isaac Newton penned a letter to his friend Robert Hooke, in which he humbly acknowledged, "If I have seen further, it is by standing on the shoulders of Giants." Though I've encountered these words countless times, their profound significance became evident during my tenure as President this year. I wish to take a moment to express my deep gratitude to our Board, members, and the broader business community for entrusting me with the privilege of serving as President of the KCCI. It is with great delight that I present to you our 82nd Annual Report for the Financial Year 2022-23.

Guided by the visionary path laid by our Past Presidents, our journey continued with unwavering commitment to our Chamber's common mission. I extend my heartfelt thanks to our Immediate Past President, Shashidhar Pai Maroor, for his invaluable guidance and for ensuring the seamless continuation of our Chamber's activities.

The Chamber's focus areas served as the pillars upon which our programs for the year were built. It is heartening to note that most of the initiatives conceived at the start of the year came to fruition.

Here are some of the key highlights for the year 2022-23:

We actively engaged in meetings with various committees, including the Centre for Entrepreneurship Opportunities & Learning (CEOL), the District level Single Window Sub-committee, and Kaigarika Spandana. We consistently provided valuable input and feedback.

Since the introduction of GST in 2017, KCCI has been committed to keeping our members informed about the latest amendments and providing training in tax return filing. Our interactions with government officials, such as Ms. Shikha C., Commissioner for Commercial Taxes, and other distinguished figures, greatly benefited our members through educational sessions on GST and other relevant topics.

An interactive session with the Honorable Mayor, Shri Jayananda Anchan, and other city officials had a positive impact on resolving members' concerns.

KCCI actively advocated for improved Mangaluru-Bengaluru road connectivity through Shiradi Ghat, impacting both the public and EXIM trade. We submitted a memorandum to Dr. D. Veerendra Heggade, Member of Parliament, urging the government to prioritize the completion of highway projects.

We participated in ISAI MSME Yatra & MSME Sethu, contributing to the development of MSMEs in our region.

The inauguration of the Family Business Scale Up Forum, in collaboration with the World Konkani Centre, Mangaluru, underscored our commitment to empowering family businesses.

We fostered collaboration by engaging in interactive meetings with the Puttur Chamber of Commerce and Industry (PCCI) to address important regional issues.

Our focus on Industry-Academia collaboration led to the signing of MoUs with 18 colleges, facilitating industrial visits, internships, guest lectures, and more.

KCCI actively participated in discussions such as the Beyond Bengaluru Round Table Discussion, advocating for the swift implementation of IT Park projects.

In recognition of the importance of our members' personal well-being, we organized a unique 'Mind Mapping Program' by Dr. Surfraz J Hasim, focusing on work-life balance and mental health—a pioneering initiative by the Chamber.

Fruitful meetings with Chief Ministers of Goa and Maharashtra, as well as Union Minister of State for Tourism and Ports, Shipping and Waterways of India Shri Shripad Naik and Karnataka State Small Scale Industries Minister Shri Sharanabasappa Darshanapur, addressed critical regional issues.

KCCI, in collaboration with the International Federation of Investors' Associations (IFIA), organized sessions on Startup Mangaluru, including startup clinics, to support local startups.

We jointly organized a National Seminar on MSME with government agencies, emphasizing the strategic development of MSMEs.

A collaboration with Employees Provident Fund Organisation (EPFO) brought PF beneficiaries together to address their concerns. We also engaged with officials from Employees' State Insurance Corporation (ESIC) too.

To promote EXIM trade, we invited experts to discuss the importance of documentation in exports and imports, as well as the New Foreign Trade Policy 2023.

We prioritized financial literacy by organizing a program on reading and analyzing balance sheets, equipping our members with vital business skills.

Throughout the year, KCCI remained responsive to various issues and submitted several memorandums, including a detailed Pre-Budget Memorandum and one advocating for reduced GST rates on renting of premises and religious precincts.

Our flagship event, the 'Members Day Conclave,' celebrated its fourth year with insightful presentations and content, featuring branding expert Shri Harish Bijoor.

As of March 2023, our Chamber stands on solid financial ground, a testament to the hard work and diligence of our Treasurer.

Looking ahead to 2024, our Chamber is determined to re-engage members who have not renewed their memberships and to attract new ones. The value of Chamber membership has only grown, emphasizing that, regardless of technological advancements, relationships remain the cornerstone of business success. The Chamber serves as a nurturing ground for these invaluable connections.

We extend our gratitude to all affiliated trade bodies for their support in championing trade and commerce issues.

These achievements would not have been possible without the dedication of our Office Bearers, board members, sub-committee Chairmen, and members. Special thanks are due to Past President, Srinivas S Kamath, Past President, Isaac Vas, Prof. Lionel Aranha and Kalbavi Prakash Rao for their unwavering support.

I eagerly anticipate the future events that will bring us together in the coming year, and I hope we can collaborate to ensure a productive year ahead.

Warm regards,

Ganesh M Kamath
Director & President

INDEPENDENT AUDITOR'S REPORT

To the Members of KANARA CHAMBER OF COMMERCE & INDUSTRY

Report on the Audit of Financial Statements

Opinion

I have audited the accompanying financial statements of 'KANARA CHAMBER OF COMMERCE & INDUSTRY', MANGALORE-575001, registered under sec. 8 of the Companies Act 2013, which comprise the Balance Sheet as at 31st March, 2023, the Statement of Income and Expenditure for the year ended and cash flow statement for the year, and a summary of significant accounting policies and other explanatory information.

In my opinion and to the best of my information and according to the explanations given to me, the aforesaid financial statements together with the other explanatory information gives the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India;

- a) of the state of affairs of the Company as at 31st March, 2023;
- b) its Excess of Income over Expenditure for the year ended on that date,
- c) its Cash flows for the year ended on that date.

Basis for Opinion

I conducted my audit in accordance with the standards on auditing specified under section 143(10) of the Companies Act, 2013. My responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Act and the rules thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the code of ethics.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. These matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Chamber as it is unlisted and Sec. 8 Company.

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Management is responsible for the preparation of the other information. The other information comprises the information obtained at the date of this auditor's report, but does not include the financial statements and auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained during the course of my audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Rules, 2015, as amended.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, I am also responsible for expressing my opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. I consider quantitative materiality and qualitative factors in (i) planning the scope of my audit work and in evaluating the results of my work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India under Section 143(11) of the Act, is not applicable, I am not making any comment under the said Order.
2. As required by Section 143(3) of the Act, I report that:
 - a) I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit.
 - b) In my opinion, proper books of account, as required by law have been kept by the Company so far as it appears from my examination of those books of accounts.
 - c) The Balance Sheet and the Statement of Income and Expenditure dealt with by my report are in agreement with the books of accounts.
 - d) In my opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) rules, 2014.

- e) On the basis of the written representations received from the directors as on March 31,2023 taken on record by the Management, none of the directors is disqualified as on March 31, 2023, from being appointed as a director in terms of section 164(2) of the Act.
- f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in my opinion and to the best of my information and according to the explanations given to me:
- i. The Company has no pending litigations on its financial position in its financial statements.
 - ii. The Company did not have any long term contracts including derivatives contracts for which there were any material foreseeable losses
 - iii. The transfer of the Investor Education and Protection Fund by the Company is not applicable as the Chamber is Sec. 8 company.
 - iv. a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested(either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities('Intermediaries'), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ('Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c) Based on audit procedures considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-paras(a) and (b) above contain any material misstatement.
 - vi. No Dividend covered by section 123 of the Companies Act,2013 was declared or paid during the year by the company.

NOTE 16

I) SIGNIFICANT ACCOUNTING POLICIES

A. Basis of preparation of Financial Statements

The financial statements are prepared under historical cost convention, in accordance with the Generally Accepted Accounting Principles (GAAP), the provisions of the Companies Act, 2013 including the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

B. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles ('GAAP') requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

C. Property, Plant & Equipment, Borrowing Costs and Depreciation

Property, Plant & Equipment are stated at cost of acquisition (including directly attributable costs such as freight, installation, taxes, duties etc.) or construction, or their corresponding revalued amounts less accumulated depreciation/amortization.

Borrowing costs directly attributable to acquisition or construction of those fixed assets, which necessarily take a substantial period of time to get ready for their intended use, are capitalized.

Depreciation on Property, Plant and Equipment is provided, based on the Written Down Value('WDV') using useful lives as base. The useful lives of various tangible assets are as under:

<u>Assets</u>	<u>Rate of Depreciation(%)</u>	<u>Useful Life (Years)</u>
Building	4.87	60
Computer	63.16	3
Electric Fittings	25.89	10
Furniture & Fittings	25.89	10
Generator & Inverter	25.89	10
Office Appliances	45.07	5
Plant & Machinery	18.10	15
Vehicles	25.89	10

If the management's estimate of the useful life of a fixed asset at the time of acquisition of the asset or of the remaining useful life on a subsequent review is shorter than that envisaged in the aforesaid Schedule, depreciation is provided at a higher rate based on the management's estimate of useful life/ remaining life. After the completion of the useful life, assets are carried at nominal value till disposal.

Assets costing less than Rs 5,000 are fully charged to the profit and loss account in the year of acquisition.

D. Impairment

Property Plant and Equipment are reviewed for impairment whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. An impairment loss is

recognized in the Statement of Profit and Loss if the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is the higher of an asset's net selling price and value in use. An impairment loss recognized on asset is reversed when the conditions warranting impairment provision no longer exists.

E. Investments

Investments that are readily realizable and intended to be held but not more than a year are classified as current investments.

All other investments are classified as long term investments.

Long-term investments are carried at cost. Provision for diminution is made to recognize a decline, other than temporary in value of long-term investments and is determined separately for each individual investment. Current investments are carried at lower of cost and fair value, computed separately in respect of each category of investment.

The cost of investment includes acquisition costs such as brokerage, fees and duties.

F. Revenue Recognition

The company generally recognizes revenue on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to such extent.

Sales are recognized when all substantial risks and rewards of ownership in the goods are transferred to the buyer and no significant uncertainty exist regarding the amount of consideration as per the terms of the contract and are recognized net of trade discount, sales tax and other relevant taxes.

Interest income is recognized on time proportion basis. Dividend income if any is recognized when the right to receive the dividend is established.

G. Provision, Contingent Liabilities and Contingent Assets

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are not provided for unless a reliable estimate of probable outflow to the firm exists as at the Balance Sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best management estimates. Contingent assets are neither recognized nor disclosed in the financial statement.

H. Employee Benefits

I. Short-term Benefits

Short-term benefits are charged off at the undiscounted amount in the year in which the related services are rendered.

II. Long-term Benefits

Long-term benefits comprise the following:

i. Provident Fund

The eligible employees of the company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the firm make monthly contributions at a specified percentage of the covered employees' salary. The contributions as specified under the law are paid to Provident Fund Trust.

ii. Gratuity Benefits Plan

The company provides for gratuity, a defined benefit retirement plan (the “Gratuity Plan”) covering eligible employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee’s salary and the tenure of employment. Vesting occurs only upon completion of five years of service. Liability with regard to gratuity plan which is unfunded are determined as per discounted service basis as of the Balance Sheet Date.

iii. Leave Encashment

The company has a policy of accumulation of earned leave up to 60 days. The accumulated earned leave can be encashed on retirement, termination or death whilst in service. The company has provided leave encashment on accrued Earned Leave based on actuarial valuation.

I. Government Grants

Government Grant related to acquisition of Property, Plant and Equipment is reduced from the Cost of Acquisition of the Property, Plant and Equipment

J. Income Tax & Deferred Tax:

The income of the Chamber is exempt u/s 11 of the Income Tax Act, 1961 subject to fulfillment of certain conditions and compliances. Hence no provision has been made for income tax and also for deferred tax.

Return on Investment (Assets)	In %	Return/Earnings	Investment	NIL	NIL	NIL

REASONS FOR VARIATION IN RATIOS ABOVE 25% DURING THE YEAR ENDED 31/03/2023:

Current Ratio:

Under Current assets during the year the Fixed deposit shown under cash Cash and Cash Equivalents has been shifted to Non- Current investments to match the life membership fee collected under membership and journal subscribers.

Return on Equity Ratio :

There is a surplus of Rs.9,71,296/- as compared to deficit of Rs.8,31,188/- last year.

Hence there is a considerable variation in the ratio.

Trade Receivables Turnover Ratio:

There is considerable increase in sales during the year and decrease in outstanding debtors at the year end, due to which there is a variance in the ratio.

Net Capital Turnover Ratio:

The average working capital is considerably reduced in comparison to last year and increase in Revenue in the current year. As a result, there is a variance in the ratio.

Net Profit Ratio:

The answer to this variance is fully explained in the above particulars under "Return on Equity Ratio".

Return on Capital Employed:

Here again the variation is attributable to the reasons explained under the particulars "return on equity ratio".
