Mr. Nipun Aggarwal
Chief Commercial and Transformation Officer,
Air India,
Ground Floor, Air India Building,
Nariman Point,
Mumbai - 400001.

Dear Sir,

Sub: Requesting to restore the present schedule of AI 679 departure from Chhatrapati Shivaji Maharaj Airport, Mumbai at 5.40 a. m. beyond April 2024.

The business community of Mangalore has always supported Air India and its subsidiaries. Business community and the general public who travel abroad get good connection to return to Mangalore by AI 679 departing at 5:40 a.m. It is sad that Air India has rescheduled this flight from 5.40 a. m. to later during the day. This will make the business community, our members and the general public lots of in conveniences since they arrive into Mumbai at mid night and early mornings and will have to wait at Mumbai airport for more than 8-10 hours in transit at Mumbai. Moreover this flight is always bringing highest yield to Air India.

On the return sector this is the only flight gets the business community and general public to Mumbai and Delhi in the morning which enables to complete the business to return to Mangalore on the same day or next day early morning. This is the flight which gives connectivity onward to London on AI 131 and to many other destinations to the Far East too.

In view of this we request you to kindly restore the present schedule of AI679 departure from Mumbai at 5:40 a. m. beyond April 2024 and to oblige.

Thanking you,

Yours faithfully,

For **KANARA CHAMBER OF COMMERCE & INDUSTRY**
